### Culture, religion and gender identity

We understand and are sympathetic to individuals who may wish to, or not wish to, wear a particular piece of uniform that falls outside our uniform policy. If this applies please get in touch with a member of the Admissions Team.

### Sports Equipment

**Protective Equipment:** The wearing of mouthguards for hockey and rugby is strongly recommended. A leaflet from O-Pro, a specialist supplier of fitted mouthguards, will be sent out during the summer holiday; it takes about a week for them to supply a mouthguard after taking an impression. Dental practices can provide fitted mouthguards; they are likely to need more notice. The wearing of shin-guards is compulsory for hockey. Body or head protectors worn for rugby must be approved by the International Rugby Board and marked with the IRB label. Helmets must be worn by batsmen and close fielders in cricket; the school will provide helmets for those pupils who do not have their own. The wearing of goggles to play squash is mandatory.
